

ARBITRATION

Arbitration is a speedy dispute resolution mechanism. Arbitration proceedings can be initiated in relation to disputes arising out of a contract or legal instruments where an arbitration clause was inserted/ is available. Any aggrieved party to the contract/legal instrument can invoke arbitration proceedings, and can file appropriate application before the concerned High Court for appointment of Arbitrator. The High Court also has appellate jurisdiction in relation to the judgment, decree or final order made by the Arbitration tribunal.

The law office advises the legal matters in relation to such arbitration proceedings and execution of contract and legal instruments. The law office also drafts legal documents as per the requirement of its clients. The law office provides complete assistance in relation to arbitration proceedings including appearance before the Arbitration Tribunal and drafting of requisite pleadings/applications.
