

FAMILY LAW/LAW OF INHERITANCE

Law of Inheritance deals with Intestate Succession, Testamentary Succession and Partition. The laws are primary based on customary principles derived from un-notified personal laws. The Parliament has codified some of them i.e. The Indian Succession Act, 1925, The Hindu Succession Act, 1956, The Partition Act, 1893.

The law office provides complete legal assistance in relation to drafting of Wills, deeds and other legal instruments. The law office also drafts the legal documents i.e. Applications, Pleadings and Petition and appears before the Court of Law on behalf of its clients.
